SKILLS

• Languages:	C++, JavaScript, C, Java
• Tools/Platforms:	MongoDB, XAMPP, Git/GitHub, MySQL
• Soft Skills:	Problem-Solving, Team Player, Effective Scheduling, Adaptability

PROJECTS

• FitForge – Fitness Challenge Tracker GitHub Live	Apr' 25
◦ Developed a Full-Stack Fitness Challenge Tracker that enables users to set, monitor, and achieve long-term fitness goals through daily progress tracking.	
◦ Implemented secure user authentication using OAuth 2.0 to ensure safe and seamless login experiences. Built a scalable RESTful API with Node.js and Express.js to manage user data, progress logs, and fitness milestones efficiently	
◦ Tech: OAuth 2.0, API Security, MySQL, JavaScript, Tailwind CSS, Node.js, Express.js, React js	
• LinguaLink – Language Exchange Platform GitHub Live	Jul' 24
◦ Built a global language-learning platform with smart matching, real-time chat/video features, and progress tracking, enabling immersive peer-to-peer language learning with a clean, responsive UI.	
◦ Proposed future enhancements including AI-powered assessments , VR-based language immersion, and partnerships with educational institutions.	
◦ Built a full-stack language exchange platform using React, Node.js, PHP and MySQL to connect learners with native speakers.	

TRAINING

• Cipher Schools	Jun' 25 – Jul' 25
Data Structure and Algorithms using Java	
◦ Completed an intensive training program on Data Structures and Algorithms using Java, gaining hands-on experience with arrays, linked lists, stacks, queues, trees, graphs, and hash tables.	
◦ Designed and implemented classic algorithms including searching, sorting, recursion, dynamic programming, and graph traversal to solve real-world computational problems.	
◦ Worked on practical mini-projects such as an event scheduling system and library management features, using custom data structures to enhance efficiency and modularity.	

CERTIFICATES

• Data Structure and Algorithm using Java <i>CipherSchools</i> Link	June' 25
• Cloud Computing NPTEL Link	April' 25
• Responsive Web Design <i>freeCodeCamp</i> Link	May' 23

ACHIEVEMENTS

• Selected and participated in the Prototype Round of the national-level Smart India Hackathon 2025.	June' 25
• Earned Silver Badge in C++, Java and Python on HackerRank for problem-solving and coding proficiency.	May' 24

EDUCATION

• Lovely Professional University	Phagwara, Punjab
Bachelor of Technology	Aug' 23 – Present
Computer Science and Engineering; CGPA: 7.02	
• Arihant public School	Kota, Rajasthan
Intermediate; Percentage: 93	Mar' 21 – May' 22
• Delhi public School	Etawah, Uttar Pradesh
Matriculation; Percentage: 92.6	Mar' 19 – May' 20
